

Church Plant in Pinedale

YOUR ROLE

Prayer

Finances

Missions

Resources

Networking

The number one way that our partners support us is through prayer. This is a God Call, and a God sized mission field, and if you cannot commit to anything else, please commit to prayer. This church plant will not happen if we do not consistently seek the Lord and pray for His Will to be done in Wyoming.

The financial support from our partners is a huge blessing. Planting churches cost money, and it is a big ask. But nothing is too big for God. If we are praying and seeking His Will, He will provide all that we need. We ask that you pray, seek God, and commit to give according to how God is leading you.

Other ways that our partners can support us is through missions, resources, and networking. God provides in more ways than money, and when God's people come together and generously give of their time, resources, and connections; God grows the kingdom in ways that we cannot begin to imagine.

The two most popular ways to give are either Monthly gifts or Annual gifts.

The levels of giving chart below is a visual representation of how all of the individual gifts work together.

You can give at any level. Not just the amounts that are shown below. All we ask is that you seek God and give at the level He is calling you to.
